## **Elden Ring Full Version Free (Final 2022)**

Elder Wheel of Fate The Elder Wheel of Fate is a skillful combination of a typical fantasy RPG and a strategy game. Elder Wheel of Fate has a unique vision of the characters in the world of the Elden Ring, which relies on a gripping narrative. The action also has the ability to freely control the pace of the game; you can enjoy the story as you want to, and carry on with the battles as you desire.

■Story Adventure of the Elden Ring 50 years have passed since the disappearance of the Elden Ring from the world. In a world gone bleak and covered in darkness, only a few of the Elden Lords remain, carrying the torch of the power of the Elden Ring. The characters are only the last remaining of the Elden Ring, but the darkness of the Elden Ring's reign was never as thorough as the world has come to know. Elden Lords The Elden Lords, as the heroes of the world, will rise. The goal to face a dangerous new world. ■Gameplay Attack mode A rapid-paced action RPG where character power and tactical ability are combined. ■Characteristics Infinite choices While the choices you make in the story unfold, you can freely control the pacing of the game. Battle mode A constantly evolving war that fills the field with danger! ■System 1. Character development In order to become stronger, you must raise your Character's "combat spirit". The combat spirit is a gauge of your character's strength. 2. Real-time battle system • Real-time Dual-screen mode • Can be displayed in either 2D or 3D • You can view the battle system on both sides of the screen at the same time. • The development of the battlefield is displayed in 2D or 3D. • In 3D mode, you can freely turn your view during battle. • In 2D mode, you will always view the screen from the top-down perspective. • You can hold up and bring out the different equipment you use. • Characters move at the same speed as in real life, and their movements are smoothly depicted. • You can control their speed depending on the situation. • By pressing the execution button, you can input commands to your character.
