Forex Strategy Builder Professional Screenshots Reviews Its giving me endless of problems I don't know what's wrong with it please help 5 By Salamouieaa Hello, first of all, it is not a free version, its a paid version. I have called them but they seem to think that is enough to play with it. It takes forever to connect to their servers and I can not get the book of strategies which I bought with my money. Please help, thank you! Scam 1 By keppnn This is a scam. They took all your funds and now they refuse to help. Scam! Purchased, activation not working 3 By rv731 So, I purchased the app by purchasing the get trading algorithmic strategy. The app seems to work fine and it will appear like the app is working on the graphic screen. However, after clicking on the "TOOLS" button, the app does not load, it freezes at the loading screen for about 45 seconds. The only thing that appears is the loading screen. I called support, and they haven't gotten back to me. I want my money back. If someone could contact me at handy.i@us.linktel.net, I would appreciate it.
